C est par ces caracteres generaux que l avant-projet de les Commission des Notations electriques differe si notablement des propositions faites par M. Jamieson. Je n insiste par davantage, puisque vous denez nommer une Commission chargee d etudier la question, et que vous avez fait a la Societe Internationale des Electriciens le grand honneur d appeler le president et le secretaire de la Commission des Notations electriques, a venir partager vos travaux. Nul donte que de notre entente commune, et des sentiments de bonne confraternite dont nous sommes tous animes, ne sorte bientot une oeuvre utile et feconde dont la science electrique ne tardera par a recueillir les fruits. VOL. xrv. 21 Professor Forbes: A very large subject has been broached by Mr. Jamieson, and M. Hospitalier has succeeded in making it even wider. I think that we cannot expect to go very far into the question this evening, because, really, if we were to say all that we felt inclined to say on the subject, it would be to anticipate the labours of the committee which it is proposed to appoint hereafter. I think the most one can do is to look over the proposals both of Mr. Jamieson and M. Hospitalier, and see whether in their general character they seem to commend themselves to us. Now, looking over Mr. Jamieson s paper, the first part of it deals with general terms--with words which are in constant use as applying to electrical subjects--and...
