HOW TO FACE PEACE: A HANDBOOK OF COMMUNITY PROGRAMS (CLASSIC REPRINT) (PAPERBACK)

Fragments of the future patched into a narrative are usually suggestive reading at least, particularly when these fragments are borne out by chronicles. Although we have been reconstructing for some time, fragments of the future and chronicles of the war have both been necessary for the purpose of this little book. Since not too much is generally known about the reconstruction, readjusting, restoration - whatever you call it - that is upon us, it has seemed pertinent to collect what materials could be found which outlined or indicated the programs necessary to initiate in order to help communities and individuals to find their places in it, the big, constructive work before the nation. Prophesying is not so safe as chronicling, but what might be called propheteering is less dull than writing 5 accounts after the fact, and, to propheteer a little, it seems unquestionable that the great spirit of public service evoked by the war must carry over into a desire for permanent and somewhat altruistic effort.
