The Anatomy and Surgery of the Frontal Sinus and Anterior Ethmoidal Cells (Classic Reprint) (Paperback)

By Howard a Lothrop

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Anatomy and Surgery of the Frontal Sinus and Anterior Ethmoidal Cells This opportunity is taken to express my great indebtedness to Professor Thomas Dwight, of Harvard University, not only for the unlimited privileges necessary to carry on this investigation, but also for many valuable suggestions. About 125 subjects, or 250 frontal sinuses, obtained from dissecting-room material, form the basis of this research. They were inspected when obtained, and preserved in alcohol for future study and reference. Fifty of these specimens were macerated, after examination, in the natural state, and about fifty more bony specimens have been accessible for study. The parts have been examined from sagittal, coronal, and horizontal sections, and also by dissection of especial regions, the use of probes, injection of fluids, etc. The accompanying plates were made from photographs taken by Bernard W. Trafford, Esq., of Boston, whose assistance and skill were invaluable in adding to the success of the work. These photographs were taken from specimens selected as seemed necessary to demonstrate the anatomy under consideration, hence the relations are an...

Reviews

If you need to adding benefit, a must buy book. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this pdf to find out.

-- Mrs. Glenda Rodriguez

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
