

A Doubter's Guide to the Bible: Inside History's Bestseller for Believers and Skeptics

By John Dickson

Zondervan. Paperback. Book Condition: new. BRAND NEW, A Doubter's Guide to the Bible: Inside History's Bestseller for Believers and Skeptics, John Dickson, A Doubter's Guide to the Bible is a concise account of the whole biblical narrative and the lifestyle it inspires, representing a unique and engaging framework for those observing Christianity from the outside, especially those who think there are good reasons not to believe. In this book, Dickson provides a readable and winsome Bible primer summarizing the main themes in scripture, and addresses tough questions such as "How can we read the creation account in Genesis in light of modern science?" and, "how do we approach Old Testament law when it appears inconsistent and irrelevant?" By presenting the whole of the Bible as an account of God's promise to restore humanity to Himself, and humanity to one another and to creation, Dickson allows believers and skeptics alike to gain insight into why the Bible has been a compelling, life-changing, and magnetic force throughout the ages.

Reviews

This ebook might be worth a read, and superior to other. It is probably the most remarkable book i have got read. Its been designed in an remarkably straightforward way and it is merely soon after i finished reading this publication where really modified me, alter the way i really believe.

-- Alex Zieme DDS

It is an amazing ebook i actually have at any time study. We have read and so i am certain that i will likely to read through yet again once again later on. Your way of life period will likely be change when you complete looking at this pdf.
