

Exercises in German Syntax and Composition: For Advanced Students (Paperback)

By Marian P Whitney, Lilian L Strobe

Createspace, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpts from the Introduction. A WORD of excuse may seem needed for adding another book on German composition to the large number already in existence. But we feel that the many such books issued during the last few years have all neglected to provide for one large class of students and one real need of language work. There are many excellent books dealing with what the Germans call Realien, or the facts and words of every-day life, but there are very few which give an advanced student the vocabulary necessary for the study of literature and literary criticism; there are various books for giving practice in the elementary rules and forms of German, there are practically none which deal systematically with more advanced German syntax. Now composition work based on Realien finds its proper place in the work of the first and second years, when the main object of instruction is to familiarize the pupil with the simple vocabulary of every-day conversation and the elementary forms of the language, but as soon as the study of the literature...
