Long Midnight Publishing. Paperback. Book Condition: new. BRAND NEW, Lost in Juarez, Douglas Lindsay, From the creator of the cult Barney Thomson crime series, comes a darker and more sinister novel. The government is watching. 4 million names on the DNA database and counting; CCTV cameras on every street corner; telephone records available to any agency which requests them; restrictions on movements around Westminster; ID cards and spy satellites. All in the name of freedom. When his latest book is shelved due to government interference, Lake Weston -- international best-selling, Bob Dylan-addicted children's author -- decides that it is time to stand up for personal rights. He writes and anonymously publishes a scathing Animal Farm-esque diatribe against a government which seeks to restrict civil liberties under the guise of protecting democracy. The book quickly achieves notoriety and within a month is banned under an obscure paragraph of anti-terror legislation. The media is animatedly curious about the author of the book; the government, however, already knows. As the security services close in, Weston finds his name dragged through the gutter press, and suddenly he must run for his life, not knowing who he can trust and with nothing in his pocket except a few pounds and an iPod loaded with 1256 Bob Dylan tracks.
