The Moment of Psycho: How Alfred Hitchcock Taught America to Love Murder (First Trade Paper ed)

By David Thomson

The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, The Moment of Psycho: How Alfred Hitchcock Taught America to Love Murder (First Trade Paper ed), David Thomson, It was made like a television movie, and completed in less than three months. It killed off its star in forty minutes. There was no happy ending. And it offered the most violent scene to date in American film, punctuated by shrieking strings that seared the national consciousness. Nothing like Psycho had existed before; the movie industry—even America itself—would never be the same. In The Moment of Psycho, film critic David Thomson situates Psycho in Alfred Hitchcock's career, recreating the mood and time when the seminal film erupted onto film screens worldwide. Thomson shows that Psycho was not just a sensation in film: it altered the very nature of our desires. Sex, violence, and horror took on new life. Psycho, all of a sudden, represented all America wanted from a film—and, as Thomson brilliantly demonstrates, still does.

Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Miss Sienna Fay Jr.

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.
