LEARN TO PROGRAM

Hachette Children's Group. Hardback. Book Condition: new. BRAND NEW, Learn to Program, Heather Lyons, Elizabeth Tweedale, Learn to Program covers a key component in the new KS1 computing curriculum. We look at the basics of programming - what is an algorithm, basic languages and building a simple program. We then look at how simple programs can be developed to include decision making and repeat activities, and then how they can be fixed using debugging techniques. Throughout the book there are...
