

Mind over Money: Overcoming the Money Disorders That Threaten Our Financial Health

Filesize: 6.73 MB

Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

Crown Business, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Mind Over Money is a lifeline for anyone who thinks of money as a way to secure happiness, love, or define their self-worth. I know because I was driven by these unhealthy behaviors that almost put my family and me in financial crisis. The process this book walks you through worked for me-- I now control my money-- my money no longer controls me. My hope is that after reading the book, you'll be on your new path to financial healing too." -Wynonna Judd "The Klontzes, a father son team, have the mental answer to money. This book will help you overcome your own "wrong thinking" and get moving fast in the right direction to the financial destiny and freedom that you deserve." -David Bach, #1 New York Times bestselling author of The Automatic Millionaire and Start Late, Finish Rich "An insightful and highly understandable glimpse into why intimate discussions surrounding money are so difficult for so many people. Our past definitely influences the present and our future far more than many might realize." -Pat DeLeon, former President, American Psychological Association "Mind Over Money is a valuable resource for individuals wanting to break free from a troubled financial past and create a healthy current relationship with money that can create future financial success. It is Must reading on everyone's Now list." -Philip Zimbardo, Ph.D., Professor Emeritus of Psychology, Stanford University, author of the Lucifer Effect and The Time Paradox "Brad and Ted Klontz know the power of the dollar in our lives, and they've long studied the emotions behind our financial decisions. Through their research and this compelling book, they can change lives." -Jeffrey Zaslow, coauthor of The Last Lecture, author of The...
