LINKEDIN, FACEBOOK, EMAIL, CHAT, VIDEO-CHAT, SKYPE, TWEETING, TEXTING, SMART PHONES. . . . Can you operate successfully in this new technological world Do people always understand the message that you are trying to get across Have you posted pictures which you regret Do you get nasty looks sent your way while you are talking or texting on your cell phone Do you know the proper way to send emails for business vs. personal We live in a technological world where people stand in line for hours waiting to purchase the newest I-Phones or I-Pads. People are busy texting in their cars, on public transportation, and even walking on the sidewalk. No one sits in an office waiting for an appointment anymore without being totally immersed in their smart phone or tablet. Communication has become so technologically based, that some experts believe there is a decline in social skills, especially among younger people. There are certain ways that we need to learn how to communicate using technology that gets our message across clearly, and is not misinterpreted. This book...
