## HOPE IN THE SOIL: A TOPICAL COMPILATION OF THE WRITINGS OF ELLEN G. WHITE ON AGRICULTURE, FARMING, AND GARDENING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Before edible classrooms began sprouting in elementary schools, before buzzwords like sustainable agriculture, organic, or veganic came into existence, an exceptional woman named Ellen G. White penned numerous counsels to the Seventh-day Adventist Church and its institutions on the importance of farming, an outdoor life, and manual labor. Though often remembered for other things, Mrs. White was actively engaged in not only farming, but helping those in need to get established on farms. With God's leading, her guiding hand was also deeply involved in the establishment of a model school in Australia-a school that wrapped farming deeply into its highly successful curriculum. A hundred years have now come and gone since her death, yet the writings of this visionary woman continue, when followed, to bring much blessing to those involved. Chapter #1 begins with quotes explaining how-and why-nature is one of the most effective ways to reach human minds for God. In fact, it is even called the key to unlocking God's Word. The last part of Chapter #1 explains why farming is the most consistent way to reach souls through nature. Chapter #2 covers the farm as God's training school, and how it is one of the most effective ways to reach-and positively impact-the lives of young people. This chapter also includes information on why education close to nature is superior to spiritual growth, and how being out in-and learning about-nature is especially valuable to small children. There is also a section on the farm as a training tool for evangelists (e.g. working hard soil is not unlike dealing with hard human hearts). This chapter ends with some quotes on God...
