## MATHEMATICAL FOUNDATIONS OF COMPUTER

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 282 Publisher: University of Science and Technology of China Press Pub. Date :2008-08. mathematical foundations of computer prominent required. application. practical enough principles to enhance student awareness and application abilities. based professional course of study laid the foundation for follow-up; content selection closely with professional features. streamlined some of the higher mathematics content. an increase of discrete mathematics. linear algebra and data structures and other aspects. Focus on the professional knowledge with the interface; easy to understand the concept of narrative. dilute the profound theoretical derivation and mathematical proof; chapters dedicated the exercises. the book with a mock examination papers focus on the kinds of questions on the application of choice. novelty and creativity. and to facilitate the creation and exercise class students review and consolidate. Contents: Preface Chapter 1 determinant. linear equations. matrices and determinants and their properties in Section 1 Section 2 Section 3. Cramer s Rule Section 4 inverse matrix elementary transformation with Section 5 of linear equations solution of Problem 1 Chapter 2 limit and consecutive one limits the definition of Section 2 limits of computing the first three functions of the continuity of Exercise 2 Chapter 3 derivative and differential section a derivative of the concept of the first two derivation rules 3 section in the approximate calculation of differential and its application in Section 4 monotonic function. and the most extreme values ??of Exercise 3 Chapter 4. Section 1 of the indefinite integral indefinite integral concept of quality first two numbers Pi indefinite integral of the first integral method Exercise 4 Chapter 5 the definite integral and its application given in Section 1 Section 2 the concept of integral calculus basic...
