Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

DANIEL: THE MAKING OF A MEDIUM (PAPERBACK)

Blue Dolphin Publishing, United States, 2007. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. Daniel: The Making of a Medium John L. Brooker Daniel Simpson was born to be a psychic. At a very early age he had an imaginary spirit friend who would play with him. He was able to see his friend whenever he played alone. At night, when he was supposed to be sleeping, he was taken by his friend on many beautiful journeys. They sometimes went into a wonderland of castles and knights on horseback, and traveled on sailing ships in seas of blue water. At the age of twelve, he had his first real psychic experience. This started his spiritual development and introduction to life as a psychically sensitive being, destined to be a channel for spiritual understanding. As far as he knew, no one in his parents family had ever shown any psychic ability. In fact, most of the relatives rarely went to church. Like most children, he had the usual array of fantasies about his future. In every respect he was a normal child. He certainly never dreamed of what was about to take place. This is Daniel s story, and it could have happened to anyone. Pelican Pond, ISBN: 1-57733-163-X, 156 pages, paperback, \$14.95.
