During the Civil War, the writer was stationed with his company at the Northern edge of the swamp, and a family of nine negroes came into our lines, the seven children of which had never looked upon the face of a white man before. Now all is changed. The canal has drained thousands of acres of the richest land in the state of Virginia. Lumber companies, by lateral ditches to float out the logs, have penetrated far into the interior of the swamp, and hamlets are springing up along the canal bank. The water in the canal, colored by the roots of the juniper, is of a dark, rich, wine hue. In former years this was thought to be the best water for seagoing purposes in the world, and navy vessels bound on long cruises, always filled with water from the Elizabeth River, which drains the swamp. We passed through the lock at Deep Creek and reached Wallaceton six miles beyond before sunset, having made a run of fifty-five miles that day. Here we tied up for the night, as it was dangerous to run at night in the canal on account of the number of cypress roots, which half concealed are floating in it. and are apt to break the propeller blades. These roots, left in the sides of the banks when the canal was cut through the forest, are continually caving into the water. The next morning we were off at...
