Loch Ness is one of the most popular visitor sites in the world, not simply because of its stunning beauty, but mostly because of the mystery of the monster that may lurk in its waters. Known affectionately as Nessie , this elusive creature has been chased with great zeal for over a century and this enthusiasm shows no sign of diminishing. An absorbing book that examines the evidence and the various sightings on this perennial mystery. Look out for more Pitkin Guides on the very best of British history, heritage and travel.
