Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.#STRESS: Stress Management Techniques And Stress Busters Designed To Help You Feel Great Every Day And Live The Stress Free Life You Always Wanted How can stress be managed effectively if it is always present anywhere? Is it really possible? Stress remains ubiquitous while relaxation remains a rare commodity these days. What should have been a balance between the two has become the biggest compromise humans have ever made. As a result, people experience more internal conflicts and turmoil leading to less happiness and personal satisfaction. Many people have also accepted the fact that stress will always be a part of their daily lives. They have become oblivious to the growing stress inside them that might be mentally, emotionally, and physically harmful at some point. Stress management is often compromised because people are too busy running their lives in a fast-phased society. Everyone is in a race, but nobody cares to stop and realign their goals and check their baggage. This book will show you how to do stress management even as you move in a stressful world....
