Call of a Dragon, the story of the Waterborn Saga had begun thousands of years before on a planet called Earth. Former great civilizations had become extinct, but aware of the fate which lay before them had reached out, leaving Time Capsules for a new race to find, designed to help them in the development. The new race of people, because of their retained affinity with the sea called themselves the Waterborn. Highly intelligent and with telepathic powers the Time Capsules did accelerate the growth and the building of their civilization. Another civilization was taking an interest in the Waterborn, not from Earth but this was the most highly developed race in the Universe. It was not the first time they had visited Earth, leader of their early society known as the Immortals had lived on Earth thousands of years before and were known as the Gods. With the support of a space traveling civilization millions of years old, the Waterborn thrived, eventually becoming space travelers as well. Hundreds of years later, the Empire received a call from Earth. Planet Earth was destroying itself from within. The entire civilization was rescued and resettled on a planet which had just gone through catastrophic events which had wiped out more than half of their population. From these chaotic beginnings the Waterborn matured as a civilization and began taking vital roles in the Greater Empire. Call of a Dragon follows members of this remarkable race and their colleagues in their adventures and dedication to the protection and expansion of the Empire. As they face diabolical threats and fight powers from the Dark Side, they find help from unlikely sources. Against tremendous...
