Infections of serum from recovered patients gave no appreciable results in doses up to 50 c.c. intravenously. The above brief summary of the developments in our knowledge of certain communicable diseases leads us to believe that the day is not far distant when our weapons for fighting these diseases will be much more effective. The rapid progress made should stimulate public health workers to even greater achievement. NOTES FROM THE FIELD Public health forum at Dobbs Ferry. A public health forum was recently held in Dobbs Ferry under the joint auspices of the local health department, the Westchester county chapter of the American Red Cross, and the New York State Department of Health. Addresses were made by Dr. Robert Dennison, health officer, and Dr. P. H. Mason, sanitary supervisor, after which several health films were shown. The health exhibit was under the...
