Brand New Book ***** Print on Demand *****.The drills in this book are intended to help your basketball program. Preparing your team to perform at game time is what practice is all about. I have learned that training the team to respond to different situations and adversity during practice will make the team more adaptable and comfortable with the demands placed on them at game time. I have used all the drills in this book during my own practices and they helped not only keep my team motivated during practice but also instilled confidence in their own skills so they were not afraid to push themselves at game time. As a coach, having five fundamentally sound, confident players on the floor is a dream come true. There is no better feeling then coaching a skilled and motivated team to a win. The drills in this book will help you build your team s confidence by practicing and building on their fundamental skills and most...
