The Day America Died (Paperback)

By Will Clark

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.America s beginning wasn t easy or predestined. It took citizens of courage and wisdom not only to create that vision, but also to take those first bold steps. They sacrificed everything to give those who would come after them un-imagined freedom and opportunity. They saw only a future of prosperity, caring, decency, and fellowship for those later citizens. The people s decision on November 6, 2012 changed that American dream their ancestors had fought so hard to fulfill. They elected Barack Hussein Obama as president of the United States of America. That was the day the bullet was intentionally and prophetically fired directly through America s heart. That s the day America died. The election for his first term, 2008-2012, was a new American experiment, a risky experiment. A virtually unknown, untested, and inexperienced person was elected as president of the most powerful country on earth. His known background and experience was only that of a community organizer. In that role his main goal was to teach people of low income and low aspirations how to get...

Reviews

This publication is indeed gripping and exciting. I could comprehend almost everything using this composed e publication. I am easily could possibly get a delight of looking at a composed pdf.

-- **Lynn Lindgren**

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
